

Pallas, Arrive Alive

Packing up
Ready to leave
Heading out
It's been a good night
Now we're going home

Heading out
Into the dark
Moving fast
Lights cut a path
Through the gathering gloom

Arrive alive...
We're heading for home
Before the dawn comes

Arrive Alive...
Eyes in the night
They're keeping me right
They're guiding me

Arrive Alive...
We're heading for home
Before the dawn comes

Eyes in the night
Keeping me right
Eyes in the night

Flying through
Towns cloaked in fog
Looking in
People asleep
Now they're safe and warm

Behind closed doors
Lying back
Feeling the speed
Knowing that
We're on the move
Now we're eating up
the miles from home

Arrive alive...
We're heading for home
Before the dawn comes

Arrive Alive...
Eyes in the night
They're keeping me right
They're guiding me

Arrive Alive...
We're heading for home
Before the dawn comes

Eyes in the night
Keeping me right
Eyes in the night

Solo

Arrive alive...
We're heading for home

Before the dawn comes

Arrive Alive...
Eyes in the night
They're keeping me right
They're guiding me

Arrive Alive...
We're heading for home
Before the dawn comes

Eyes in the night - Arrive Alive
