

Panda Bear, Comfy In Nautica

try to tell me how to do it
only because im new to it
coolness is having courage
courage to do whats right
ill try to remember always
just to have a good time

try to show me that you know me
do you know what coolness really is?
winning is what you want to
winning what you're scared to go for
you try to remember always
always to have a good time

try and have a softer inside
shut up boy and be a soldier
coolness is having courage
courage to do whats right
try to remember always
always to have a good time
winning is what you want to
winning what you're scared to go for
you try to remember always
always to have a good time
