

# Pandaemonium, Sabbath Day

[Music and lyrics: Daniel Reda]

Screaming and laughing dancing in your head  
The angels arrive scorched by death  
Today with the idea of destroying the world,  
you can't escape, cause they are the witches of... (Death)

On Sabbath day you have to pray  
From ashes come the murderers,  
the Kings of the Death  
(Hail to the Kings of the Death)  
Sabbath day, you fear this day  
cause they are the witches of... (Death)

[Solo: Alex Niall]

[Solo: Ragman]

Thunder and lightning obscured the sun  
The fog is rising from Hell into your mind  
Their satanic dancing has attacked your brain,  
you can't escape, cause they are the witches of... (Death)

On Sabbath day you have to pray  
From ashes come the murderers,  
the Kings of the Death  
[Hail to the Kings of the Death]  
Sabbath day, you fear this day  
cause they are the witches of... (Death)
