## Panic! At The Disco, Tonight tonight

Time is never time at all You can never ever leave without leaving a piece of youth And our lives are forever changed We will never be the same The more you change the less you feel Believe, believe in me, believe That life can change, that you're not stuck in vain We're not the same, we're different tonight Tonight, so bright Tonight And you know you're never sure But your sure you could be right If you held yourself up to the light And the embers never fade in your city by the lake The place where you were born Believe, believe in me, believe In the resolute urgency of now And if you believe there's not a chance tonight Tonight, so bright Tonight We'll crucify the insincere tonight We'll make things right, we'll feel it all tonight We'll find a way to offer up the night tonight The indescribable moments of your life tonight The impossible is possible tonight Believe in me as I believe in you, tonight
