FEM IN A BLACK LEATHER JACKET

-----  
I don't like macho, put it away  
Doesn't appeal to me, straight or gay  
But I know a boy who catches my eye  
He don't act though, why should he try?

Chorus:

He's a fem in a black leather jacket  
He's a gem in a black leather jacket  
He's a fem in a black leather jacket  
And I want to take him home with me  
with his long long hair & pouty lips  
Cute little butt & sexy hips  
The way he moves has me inspired  
He's the boy that I require

(repeat chorus)

Fem fem, fem fem femmy....

He looks as good in a skirt as he does in jeans

He is a most notorious queen

With is personality I'm not impressed

But I can't wait to get him undressed

(repeat chorus twice)

Amd I'm gonna take him home with me!

HOMO CHRISTMAS

-----  
You'll probably get sweaters  
Underwear and socks  
But what you'd really like for Chirstmas  
Is a nice hard cock  
You deserve a cute boy  
who's horny and queer  
To make the most  
Out of Chirstmas cheer

Chorus:

I wanna be your Christmas present

I wanna be your Chirstmass queer

I wanna be your Chirstmas present

Have a homo Christmas this year

Don't be a miserable

Mike Morrissey

Let me do you

Underneath the Chirstmas tree

Well push the packages

Out of the way

And after you've unwrapped me

Naked on the floor we'll play

(repeat chorus)

Your family

Won't give you encouragemnet

But let me give you

Sexual nourishment

Licking nipples, licking nuts

Putting candy canes

Up each other's butts

(repeat chorus twice)

SMELLS LIKE QUEER SPIRIT

-----  
Against all odds, we appear  
Grew up brainwashed, but turned out queer  
Bunsplitters, rugmunchers too  
We screw just how we want to screw

Hello hello hello homo...  
Chorus:  
With the lights out, it's advantageous  
Here we are new, so fellate us  
Roll it on now, lubricat us  
Get us off now, ejaculate us  
Play Fugazi, play "Repeater"  
River Phoenix wearing speedos  
Yeah! Queer  
Irreverent and in your face  
Attacking preachers spewing hate  
I'd love to puncture their balloons  
Spray silly string around their rooms  
Hello hello hello domo...  
(repeat chorus)  
The world's a mess, but for a while  
We lick and suck and feel fine  
I find it hard, that's nice to find  
Forget the closet, never mind  
Hello hello hello homo...  
(repeat chorus)  
No denial, no denial...  
Jesse Helms on trial, No Denial...
