

# Pansy Division, Political Asshole

Politicians passing laws  
Sink their fangs, sink their claws  
Seems so strange that they should care  
If you stick a dick up there  
Your asshole is political!

Right-wing Christians, they don't care  
Trying to keep the people scared  
And it's your ass they're gonna trash  
When they need to raise more cash  
Your asshole is political!
