

# Pantera, I Can't Hide

I've written about my inner wars  
but i couldn't give a shit right now  
most of me is all strength  
and all of me is at war with dope  
but my eyes are clear with sight  
my guns are blazing  
i must have life

I can't hide, to erase, what I've done  
last year, and the years before  
It still takes assholes of all kinds  
on that fact I am still clear  
'coz you know and now I do  
I'm one of them  
I'm just like you  
I'm just like you  
A man that stands his ground with strength

I can't hide, to erase, what I've done  
Last year, and years before  
Can't hide myself  
And I won't try  
It makes me strong  
Makes me strong  
Makes me strong

It blows away weakness  
It blows away detachment  
It blows away the depression inside  
It blows away the mental withdrawal  
It blows away
