

# Pantera, Message In Blood

There's a place that I keep deep inside me  
It can trigger my mind  
All along I knew it has been with me  
Since I was just a child

I just summon power within my soul  
It has given me life, beyond life I take  
blame for my murderous problem my signature  
Always reminds

It's a message in blood  
It's your cryptic warning  
Within the message in blood  
Marks the years of pain,  
And your godforsaken ending to life

I'm provoked into sick confrontations, brutal  
Time after time, bed of nails, suffocation,  
life's ending, slay in different designs  
One mans misery is another mans mystery  
No one cares to understand my  
Demented means  
Sticks and stones can break all your  
brittle bones, epitaph written at your feet

It's a message in blood  
It's your cryptic warning  
Within the message in blood  
Marks the years of pain,  
And your godforsaken ending to life
