

# Pantera, Sandblasted Skin

Scrape it, grind it, peel it, hide it  
The trend is over and gone forever  
Shelf it, box it, save it, frame it  
You won't need that anymore,  
it's on sale at the fucken dollar store

Waste of time,  
pantomime,  
circus doll,  
at the local mall  
Exterminate, it's all fake!  
Exterminate, it's all fake

Sandblast yourself  
Sandblast yourself  
Sandblast  
Sandblast  
It's getting old, old, old
