

Pantera, Shattered

It's storming broken glass, corpses left in piles
Ungracious bludgeonment that breaks the earth for miles
Nothing can stop it, the day has come,
from below it's catastrophic

Freezing, there's no healing families are dying

This world is shattered... all shattered

Life crushing turbulence, this wrath can't be denied
Wishing you could help your friends,
standing where they died
Echoes haunting, a hollow planet,
lacerations, dissected nation

Freezing, there's no healing families are dying

This world is shattered... all shattered
