

Panzer AG, Monster

I am the monster under your bed

A creature with meat, a blood sucking creep

I feed on little children, I molest you when you sleep

I'm the monster in the water when you're swimming out too deep

I know all your dirty secrets, and I love the way you smell

I'll give you a ride, through blood and homicide

You know we're going to hell

(Shh) It's okay, it's just me

(Shh) It's okay, it's just me

I'm the monster in your closet

I am the shadow in the dark

Because of me, you stay in your house at night

I am the creature, hiding in the park
