

# Paolo And Isabella, I Really Don't Think So

Why does everything had to be looked  
They thought about all the stories I loved  
Brings isn't breaking you when I go, no  
I really don't think so

You know that I don't back you doin' what you want without  
You lettin' me know that you do, so I could do it to  
You and some together and if there were ever reason to change it  
I'm sure we could arrange it, baby  
Something's wrong if you really think that you're the one whose get  
away with it, I know what your thinking, I'm starting to sink and why

Why does everything got to be looked  
They think of all the stories I loved  
Bring's isn't really, really when I go, no I really don't think so  
Why does everything got to be looked  
They're thinking each other, they trust  
And isn't really, really when i go, no I really don't think so
