

# Paolo Nutini, 10/10

All the people wanna try you girl,  
And I hope you tell them where to go,  
Cus I've got so much here to offer girl,  
Oh I love you more than you can know  
Some people wanna speed it up,  
Infact I want to slow it down.  
I wanna get myself dressed up yeah,  
And take you out on the town  
I'll be a model pupil tonight, babe.  
I wanna get ten out of ten.  
I'll be a model pupil tonight, babe.  
I wanna get ten out of ten.  
Everybody's got opinions girl,  
There own versions of a good idea.  
But the best one I can think of now,  
Is to make sure that I keep you near.  
And I know that I've got to keep it up,  
Cus I can see you're feeling down  
And I wanna get myself dressed up yeah,  
And take you out on the town  
I'll be a model pupil tonight, babe.  
I wanna get ten out of ten.  
I'll be a model pupil tonight, babe.  
I wanna get ten out of ten.  
And get an A in the taxi,  
A In the restaurant.  
Get ten out of ten.  
Get an A in the kitchen  
And an A in the bedroom  
I get ten out of ten  
You make it out of nothing,  
And turn it into something,  
And give it to you all for free  
I'll be a model pupil tonight, babe.  
I wanna get ten out of ten.
