## Paolo Nutini, 10/10

All the people wanna try you girl, And I hope you tell them where to go, Cus I've got so much here to offer girl, Oh I love you more than you can know Some people wanna speed it up. Infact I want to slow it down. I wanna get myself dressed up yeah, And take you out on the town I'll be a model pupil tonight, babe. I wanna get ten out of ten. I'll be a model pupil tonight, babe. I wanna get ten out of ten. Everybody's got opinions girl, There own versions of a good idea. But the best one I can think of now, Is to make sure that I keep you near. And I know that I've got to keep it up, Cus I can see you're feeling down And I wanna get myself dressed up yeah, And take you out on the town I'll be a model pupil tonight, babe. I wanna get ten out of ten. I'll be a model pupil tonight, babe. I wanna get ten out of ten. And get an A in the taxi, A In the restaurant. Get ten out of ten. Get an A in the kitchen And an A in the bedroom I get ten out of ten You make it out of nothing, And turn it into something, And give it to you all for free I'll be a model pupil tonight, babe. I wanna get ten out of ten.
