

Paolo Nutini, Cry Me A River

You were my... earth
But you didn't know all the ways I loved you, no
So you took a chance
And made other plans
But I bet you didn't think that they would come crashing down
You don't have to say, what you did,
I already know, I found out from him
Now there's just no chance, for you and me,
there'll never be
And don't it make you sad about it
You told me you loved me
Why did you leave me, all alone
You tell me you need me
When you call me, on the phone
Girl I refuse, you must have me confused
With some other guy
Your bridges were burned,
and now it's your turn to cry
Cry me a river
Cry me a river
Cry me a river
Cry me a river
I know that they say
That some things are better left unsaid
But it wasn't like you only talked to him and you know it
Don't act like you don't know it
All of these things people told me
Keep messing with my head
You should've picked honesty
Then you may not have blown it
You don't have to say, what you did,
I already know, I found out from him
Now there's just no chance, for you and me,
there'll never be
Baby don't it make you sad about it?
You told me you loved me
Why did you leave me, all alone
Now you tell me you need me
When you call me, on the phone
Girl I refuse, you must have me confused
With some other guy
Your bridges were burned, and now it's your turn
To cry, so
Cry me a river
Cry me a river, oh
Cry me a river
Cry me a river, oh, yeah yeah
Oh, the damage is done
So I guess I be leaving
Oh, the damage is done
So I guess I be leaving
No, the damage is done
So I guess I be leaving
Oh, the damage is done
So I guess I guess I be leaving
