Paolo Nutini, It must be love

I never thought I'd miss you Half as much as I do And I never thought I'd feel this way The way I feel About you As soon as I wake up Every night, every day I know that it's you I need To take the blues away It must be love, love, love It must be love, love, love Nothing more, nothing less Love is the best How can it be that we can Say so much without words? Bless you and bless me Bless the bees And the birds I've got to be near you Every night, every day I couldn't be happy Any other way It must be love, love, love It must be love, love, love Nothing more, nothing less Love is the best As soon as I wake up Every night, every day I know that it's you I need To take the blues away It must be love, love, love It must be love, love, love It must be love, love, love... repeat
