

Paolo Nutini, One Day

From the corner of my eye
to the back of my mind
I recognized what you mean to me
and all the corners of our picture
are a long time fade, wasted
they still symbolize
what you mean to me.

You ask me to remember
a kiss is but a kiss
that I'd be a fool
to want more from you
and I'm gone in a while
I'll be gone in a while /x2
it's all that I do

I'll cry
and you'll cry
we'll cry
till the rain purrs lock
like very moon that's clinged to us
And thorough moment, that is beauty
Oh, it's not our simple yarn and mourn
Sometimes it feels that it's all I've got
It's all that's real

I asked you to remember
a kiss is but a kiss
that you'd be a fool
to want more from me
and I'm gone in a while
I'll be gone in a while /x2
it's all that I do

On the corner of my eye
to the back of my mind
I recognized what you mean to me

And all the waves and promises captured in a kiss
We hide and we seek, but each wonder if it's more
Something more than this

and I'm gone in a while
I'll be gone in a while /x2
it's all that I do
