

Paolo Santos, Swept Away

(Swept Away)

"Paolo Santos";

I never had anything happen so fast
I took one look and I shattered like glass
I guess I let it show
'Cause your smile told me you knew

That you're everything I ever wanted at once
There's no holding this heart
When it knows what it wants
And I never wanted anything more than to know you

I was swept away
No one in the world but you and I
Gotta find a way to make you feel the way that I do

I was swept away
Without a warning
Like night when the morning begins the day
I was swept away

And so it begins
This journey of love
The summer wind carries us
To places all our own

The words of a look
The language of touch
The way that you want me means so much
And I never wanted anything more than to love you

I am swept away
No one in the world but you and I
Gotta find a way to make you feel the way that I do

I am swept away
Without a warning
Like night when the morning begins the day
I was swept away

Away - seeing my tomorrows in your eyes
I was swept away

I hope I wake up soon
I'm a victim of that crazy moon

The very first time you said my name
I knew it would never sound the same
Something about me is changed forever

Can't you see that I'm swept away
No one in the world but you and I
Gotta find a way to make you feel the way that I do

I am swept away
Without a warning
Like night when the morning begins the day
I was swept away

Away - seeing my tomorrows in your eyes
Gotta find a way to make you feel the way that I do

I was swept away
Without a warning
Like night when the morning begins the day
I was swept away

We were swept away
Dreamin' of you, swept away
