

Papa Roach, Do Or Die

Today I saw my hero fall apart,
The one who taught me to be strong,
On the outside I look fine,
But on the inside I am dying
My strength has overcome my pain
My love for you remains the same
The loneliness is setting in
I have no one to free my sins

It's never too late to live your life,
The time is now, it's do or die
It's never too late to live your life,
The time is now, it's yours or mine

Now it's my time to help you out,
Coz you were there when I was down,
It's hard for me to seal this way
Losing all your sanity
You helped me, keep my dreams alive ,
Without you how would I survive
It's time for me to be a man
Now I finally understand

It's never too late to live your life,
The time is now, it's do or die
It's never too late to live your life,
The time is now, it's yours or mine

It's never too late to live your life,
The time is now, it's do or die
It's never too late to live your life,
The time is now, it's yours or mine

I cant run anymore
I cant hide anymore
I cant run anymore
I cant hide anymore

Today I saw my hero fall apart,
The one who taught me to be strong,
On the outside I look fine,
But on the inside I am dying

It's never too late to live your life,
The time is now, it's do or die
It's never too late to live your life,
The time is now, it's yours or mine

It's never too late to live your life,
The time is now, it's do or die
It's never too late to live your life,
The time is now, it's yours or mine

It's never too late to live your life,
The time is now, it's do or die
It's never too late to live your life,
The time is now, it's yours or mine

I cant run anymore
I cant hide anymore
I cant run anymore
I cant hide anymore

Yeaaaahh
