Papa Roach, M-80

This music is my time To relax and rewind I'll be brutal with truth And i'll be honest with my soul Be the pile of trash A bum picks through to get a bite to eat I'm filthy I'm horny I'm dirty, nasty, dirty I'm strong and fearless Only 'cause i got rock 'n' roll I'm knee-deep in our blood Only 'cause i got rock 'n' roll C'mon Baby c'mon Yeah Baby c'mon Break it Crazier than i ever was I'm bloodied up i beat my skull in Comin' home in a body bag And i'm ready to die for rock 'n' roll I can't change the world I can only change myself I'm as sharp as a knife As high as a kite Demented as the night is long I'm not sheddin' a tear I'm blowin' some steam Stuck in between Living a dream Baby c'mon
