

Papa Roach, Nights Of Love

The wicked game
That you play so good
I'm falling hard
Just like you knew I would
This won't last, it's too good
I can't stop, but I know I should
Days of war, and the nights of love
Heaven's on Fire and I'm on the run
Dancing with the devil in the midnight sun
I'm falling in love, I'm coming undone
I'm coming undone
I'm outta my head, In a memory of you
I'll never forget, what you put me through
It wasn't right, what you did
But I was just as wrong as you
Days of war, and the nights of love
Heaven's on Fire and I'm on the run
Dancing with the devil in the midnight sun
I'm falling in love, I'm coming undone
Days of war, and the nights of love
Heaven's on Fire and I'm on the run
Dancing with the devil in the midnight sun
I'm outta my head, I'm coming undone
I'm on the outside looking in
I turn my back on myself again
I'm on the ledge, I'm coming out
Somebody better come talk me down
I said I'll never do it again
But then I keep on giving in
I got to turn my world around
Cause it keeps on knocking me down
Knocking me down
I fell hard, It felt good,
This won't last, I wish it would
It wasn't right, what you did
But I was just as wrong as you
Days of war, and the nights of love
Heaven's on Fire and I'm on the run
Dancing with the devil in the midnight sun
I'm falling in love, I'm coming undone
Days of war, and the nights of love
Heaven's on Fire and I'm on the run
Dancing with the devil in the midnight sun
I'm outta my head, I'm coming undone
I'm on the outside looking in
I turn my back on myself again
I'm on the ledge, I'm coming out
Somebody better come talk me down
I swear I'll never do it again
But then I keep on giving in
I got to turn my world around
Because it keeps on knocking me down
Knocking me down
