Papa Roach, Stop Looking Start Seeing

Hit or Miss
Fuck or Fight

It's time to live your life
Go ahead, I know I'm right
I'm gonna lay it on the line

Put yourself in my shoes
Would you stand up for your rights
Line 'em up, and knock 'em down
I'm not running scared tonight

I have found these walls before
And I'm not scared anymore
There's a time to lead and a time to follow
Cause I won't take this anymore these walls
I've climbed these walls before these walls
There's a time to lead and a time to follow

I see the wall, I'm closing in
And I feel like I'm in danger
My enemy is not alone
In the mirror there's a stranger
As I tried to break out
My panic lead to fear
Hopeless, I am alone
I'm afraid the end is near

The truth doesn't always have to hurt

I've climbed these walls before
And I'm not scared anymore
There's a time to lead and a time to follow
Cause I won't take this anymore these walls
I've climbed these walls before these walls
There's a time to lead and a time to follow

Stop lookin', Start seeing
Now right now
Stop lookin', Start seeing
Now right now

The truth doesn't always have to hurt

I've climbed these walls before
And I'm not scared anymore
There's a time to lead and a time to follow
Cause I won't take this anymore these walls
I've climbed these walls before these walls
There's a time to lead and a time to follow

I have climbed these walls before
There's a time to lead and a time to follow
I have climbed these walls before
There's a time to lead and a time to follow
And I'll never be the same
And I'll never be the same

Why does the truth have to always hurt?
