

# Papa Roach, Walking Through Barbed Wire

Wish I could see you for one last time  
Wish I could say goodbye to you  
It's hard to deal with you dying  
It's time to say goodbye to you

Bloody-faced  
Kissing death  
Walking through barbed wire  
I'll let you go  
Let me go digging thru myself

I would die for you  
I'd walk right thru barbed wire

Good luck in your next life  
Walk as tall as the trees  
Be gentle as spring winds  
And have the warmth of summer sun

I would die die for you  
I'd walk right through barbed wire  
I blame myself for your death  
It's tearing me apart

I would die die for you  
Yes I would  
Let you go  
Let me go digging through myself

Bloody-faced  
Kissing death  
Walking through barbed wire
