Paperboy, Step By Step

Let me see your step
Forth walk, back walk
Can you walk the next step?
Ahhhh

Move your legs
Hands up and dance
Can you move your feet step by step
Can you do it for me

Chorus:

Step by step
You'll go far away
Step by step
You're gonna do my way

Step by step
You'll go far away
Step by step
All around right and left... x4

Step, step by step
All around, right and left
Step, step by step
Move your body front and back... x4
