Paps'n'skar, Strasera la luna

Stasera la luna ci porter fortuna, la luna Stasera la luna ci porter fortuna, la luna ci porter..... It's raining again, this morning the end of the seaside Nobody can change with a strength the way of the river of life Every day, every night we talked about the same old stories Every day, every time we put it in the hand of glory Stasera la luna ci porter fortuna, la luna (x 4) Ci porter It's raining again, this morning the end of the seaside Nobody can change with a strength the way of the river of life Every day, every night we talked about the same old stories Every day, every time we put it in the hand of glory Stasera la luna ci porter fortuna, la luna (x 4) Every day, every night we talked about the same old stories Every day, every time we put it in the hand of glory Stasera la luna ci porter fortuna, la luna (x 4)
