

# Paradise Lost, Say Just Words (edit)

You get high with your destructive instinct  
You get high with your corrosive instinct  
Where can I go to escape your foul mind trick  
You're trying it more but you will never break me  
'Cause you presume the winner is you but that's not true  
So say just words to me  
Unreal what's your hate providing  
Say just words to me  
Your talk is always contradiction  
Say just words to me  
You won't feel the warmth of friends around you  
Say just words to me  
Is it true that there is worth inside  
So say just words to me  
Your desires, all the worse from power craving  
Your desires, only where there's fire burning  
I'll show you the way a pleasure that's for the taking  
You're trying it more but you won't get satisfaction  
'Cause you presume the winner is you but that's not true  
So say just words to me.
