

Paramore, Where the lines overlap

So much suspense
to measure it out
oh oh
chasing patterns
across personal ???
taking pictures
where the lines overlap
where the lines overlap
no one is as lucky as us
and all i've given, is you wa-a-a-ant
no onee-e-e-e-e-e-e-e-e-e
is as lucky as us
is as lucky as us
i saw you broken
singing it out
you got so far
never making a single sound
and i used to wait
but i can learn
it's so hard to wait
i've never been happier
i've never been happier
no one is as lucky as us
and all i've given, is you wa-a-a-ant
no onee-e-e-e-e-e-e-e-e-e
is as lucky as us
is as lucky as us
no i've got a feeling if i say this loud enough
you will sing it back to me
i've got a feeling
i-i've got a feeling
that you will sing it back to me
you will sing it back to me
no one is as lucky as us
and all i've given, is what you wa-a-a-ant
no onee-e-e-e-e-e-e-e-e-e
is as lucky as us
is as lucky as us
is as lucky as us
