

# Paris Avenue, In My Mind

Baby you're my medicin  
I gotta have you each and every day  
Darling won't you listening  
No-one else would ever made my day  
Baby when you sing  
And I here you calling me  
Crazy things go on in my mind  
I know what I feel  
That its slowly taking over  
Never cant tell what you would find  
(2x)

Oh you dont know it  
Come on let me show it  
Love keeps singing in my mind  
Tell me, is it making sense  
Do you think Im gonna loose my head  
Maybe, it is love at a sense  
Coming from my heart Im not too bad  
Baby when you sing  
And I here you calling me  
Crazy things go on in my mind  
I know what I feel  
That its slowly taking over  
Never cant tell what you would find  
(2x)

Oh you dont know it  
Come on let me show it  
Love keeps singing in my mind  
Oh you dont know  
Come on let me show it  
Love keeps singing in my mind  
Love keeps singing in my mind (4x)  
Oh you dont know  
Come on let me show it  
Love keeps singing in my mind  
Love keeps singing in my mind (4x)
