

# Paris Hilton, Nothing In This World

Da-da,  
Da-da, Da-da, Da,  
Da-da, Da-da, Da-da, Da

So I was thinking to myself when you passed me by  
Heres what I like  
And you were with somebody else but you cant deny  
Thats me in your eye

Do you know  
What its like  
When its wrong  
But it feels so right?

[Chorus]  
Nothing in this world can stop us tonight  
I can do what she can do so much better  
Nothing in this world can turn out the light  
Im gonna make you feel alright tonight.  
Da-da, Da-da, Da-da, Da, Tonight  
Da-da, Da-da, Da-da, Da, Tonight

Baby, you and I, we got what will never be  
You know Im right  
So tell me what youre waiting for when youre here with me?  
Most guys would die

You should know  
What its like  
When it hurts  
Cause it feels so right

[Repeat Chorus]

I gotta tell you somethin  
Its somethin that you just might like  
No, its not the same thing  
Yeah, youll learn Im not too shy  
You and I, we can do this thing tonight

[Repeat Chorus 2x]
