Da-da, Da-da, Da-da, Da, Da-da, Da-da, Da-da, Da

So I was thinking to myself when you passed me by Heres what I like And you were with somebody else but you cant deny Thats me in your eye

Do you know What its like When its wrong But it feels so right?

[Chorus]
Nothing in this world can stop us tonight
I can do what she can do so much better
Nothing in this world can turn out the light
Im gonna make you feel alright tonight.

Baby, you and I, we got what will never be You know Im right So tell me what youre waiting for when youre here with me? Most guys would die

You should know What its like When it hurts Cause it feels so right

[Repeat Chorus]

I gotta tell you somethin
Its somethin that you just might like
No, its not the same thing
Yeah, youll learn Im not too shy
You and I, we can do this thing tonight

[Repeat Chorus 2x]
