

# Paris Twila, I Am Ready

Verse I

I am ready to be  
All You've given me to be  
Lord  
I offer You my pride  
Lay it down  
Where I have been bound  
Father come and set me free  
I am ready now to be finally -- me

Verse II

I am ready to be  
All You've given me to be  
Lord  
I offer You my life  
Lay it down  
Where I have been bound  
Father come and set me free  
I am ready now to be  
Finally  
faithfully  
willingly -- me
