

Parkway Drive, Five Months

The Knife Moves Through My Bones.
With a Witches Saw.
Send Shivers Down My Spine.
I know no man to cross my stride.
Start With Your Blades.
Time to give up and end this shit tonight!!
Add To My Pointless Cold
Im Lust for self.

LUST
Stupid
Dancing the night
Dancing with my Hollow Leg

Yeaaaaaaah!!
Stood On My Back
Counting the night
Waiting for some place to pray
Strip off the dead tonight

Tonight
Afford What You Could Say
See it in my heart.
Now Nothings Changed
For Your Touch
For Your Smile
So Hide That face.(Yes)
That Look thats giving it out
And Giving In!!

The Night Opens Wide
Scream Away Every Sense
And Peircing Me With Empty Lies
The Night Opens Wide!!
(Opens Wide)
So Ill Wait With Patience
With patience and the Empty Nights

The Hours Have Become
Inneficient!!
And Ill Find Myself Reduced
Through Nights Immetation
The Hours Have Become
Inneficient!!
And Ill Find Myself Reduced
Through Nights Immetation

Every Jew Will Be Saved
We Are Awake
With Everything I See
We Pray That Screaming
So Get Me Throught This Dream
We Are Alive
And Everything We See
Alive and Screaming!!
Water Your Life
Less Screaming otherwise.

Your 5 Months Have Passed
And You Can Rape It
Every Sense Of Love
And Soon My Time Will Come
Weve Lost Our Stride
(We've Lost Ourselves)

(We've Lost Ourselves)
Your Hours Have Become
An Addiction
And I Find Myself With You
Through Nights Immatation
The Hours Have Become
Your Addiction
And I Find Myself With You
Through Nights Immatation!!
