

# Parokya Ni Edgar, Absorbing Man

you can beat me up  
call me names  
steal my bike  
go insane  
i dont care if you rearrange my face  
i dont mind

you can burn my toys  
and the books i read  
still it wont matter to me  
cause with one big gulp  
i'll swallow it up and smile

CHORUS:  
because im the incredible absorbing man  
and im gonna do the best i can(2x)  
till you finally understand

im calm, im serene  
not a word is getting through me  
when you scream

im a sponge  
i soak it up  
all the crap you put me through  
wont make me give up

(chorus)

i will never falter  
i will never quit  
youll never find another  
who'll put up with your shit(3x)  
i will never falter...

(chorus)
