Parokya Ni Edgar, All Right

All right, I've had enough I don't wanna do this anymore All you ever think about is sex Your vanity, and the way that I would treat you bad I don't wanna hear your whining Quit your naggin n leave me be Just stay away from me and Shut your mouth Turn around Walk away and leave me

ALONE!!!

STOP BUGGIN ME!!!

I'll walk away I won't look back Don't wanna look back I'll leave you behind There's no turning back this time
