

Parsons Gram, That's All It Took

that's all it took
the mention of your name
and all my love for you
burst into flame
I tried so hard
to let you go, but look
how I still tremble at your name
that's all it took
that's all it took
to make me know that I still care
it seems my heart just can't give up
the dreams we used to share
I tell my friends I'm happy
but they read me like a book
and when today I heard them say
your name that's all it took
that's all it took
to make me yearn for your embrace
I guess I might as well admit
no one can take your place
I fell for you completely
sinker line and hook
and when today I heard them say
your name that's all it took
and when today I heard them say
your name that's all it took
