

# Part Six, Bump

Bump, Bump, Bump  
Bump, Bump, Bump  
Let&#039;s lock in here

I never, thought I&#039;d find  
Me stuck here, from nine till five  
(I don&#039;t wanna be)  
Livin&#039; from day to day  
(Coz I wanna be)  
Out there on my way

End of the week is here  
The time to bounce is near  
So DJ rip it up  
Kick out my tunes  
It&#039;s time to

Bump, Bump, Bump  
The floors shaking when we&#039;re breaking  
Bump, Bump, Bump  
All around us now, move up and down  
Just  
Bump, Bump, Bump  
Groove dropping, touch talking  
Bump, Bump, Bump  
Let&#039;s lock in here

Now I&#039;m back to reality  
It&#039;s just five days till we hit the scene  
Don&#039;t wanna be tried down to my J.O.B  
It&#039;s gonna be friday to set me free
