

# Part Six, Drivetime

Give me some of that groove now baby  
drivetime in the city lights  
give it to me when we&#039;re cruisin girl  
cause music&#039;s like a natural high  
don&#039;t matter where we&#039;re going honey  
cause i got you by my side  
you and me and the radio  
it feels so right

you&#039;re my number one and the only show  
keep on moving whenever the jam is slow  
girl you tell me all that i need to know  
turn it up, burn it up tonight

Refrain:

Cos it&#039;s  
drivetime, grooves are blowing  
my mind, DJ can I get a  
rewind, beats are pumping  
all night  
drivetime, girl you&#039;re looking  
so fine, gonna be rolling  
all night keep it coming on  
drivetime tonight.

Gotta hold on tight now honey  
i&#039;ll keep it slow &#039;til you want it fast  
it&#039;s all good when we&#039;re rolling girl  
we&#039;re beautiful so let&#039;s make it last  
keep it coming like a bass line baby  
i&#039;ll take you where we wanna be  
give me some of your drivetime girl  
it&#039;s all i need

you&#039;re my number one and the only show  
keep on moving whenever the jam is slow  
girl you tell me all that i need to know  
turn it up, burn it up tonight
