

Part Six, I Love Your Smile

Girl I caught you walking bye
Couldn't believe my eyes so lovely
So unbelievable
lookin'; incredible
gotta have you near me
just you and I
Let's slip away together
let's take some time to get to know each
other better

i love your simle
i love your sexy attitude
you drive me wild
i can't deny
i love that smile
the way you look into my eyes it gets me
high
i love your smile

Perfect form head to toe
Every fella knows you got it
let me be a gentleman
but please don't bring your friends
girl you can trust me
just you and I
let's slip away
let's take some time to get to know each
other better

can't get enough, can't get enough
i dream about your smile
won't give it up won't give it up love the
way you smile
imagining you and me
together my fantasy
what would it take to make you mine
happened so suddenly
the way that you got to me

Girl i love your way
must be a daydream
the way that cha you loonkin';
got me goin'; crazy and gettin bezerk
here
don't want to be rude here but see what
i'm thinking
let's share the attention and handle my
business
tell your friends we goin'; out
take some time to work it out
you just me make me lose my mind
can't believe i love your smile
Can't get enough can't get enough
i dream about your smile
Won't give it up won't give it up love the
way you smile
