She's Giving Me Love

Oh Love

She's Giving Me Love

Oh Love

She's Giving Me Love

Oh Love, Oh Love

She's Giving Me Love

Oh Love

When I was young my Mother watched me as I played

And every night she got down on her knees and to the Lord she prayed

For her son who will one day be up in this World

And that he grows old enough, strong enough to watch her baby Girl

Back in those days, we all done some bad

But my Mother grabbed me by my shirt and smacked me on my back

That's one thing I can say and even the man up above

Even though my Mother spanked me she has always shown me love

She's Giving Me Love

Oh Love

She's Giving Me Love

Oh Love

She's Giving Me Love

Oh Love, Oh Love

She's Giving Me Love

Oh Love
