

# Pastor Troy, Can You Stand The Game

(feat. Co-Ed)

[Verse 1: Pastor Troy]

Sometimes I feel like I am stuck between a bad dream  
Running this race thank the Lord for his amazing grace  
Yes I believe, blessed wit G's that's around me  
Forevermore a thug buddy you can't clown me, that's on the court  
Give me war, strength and power daily  
Lord bless my lady, don't let situations drive her crazy  
Baby I know, everyday it's like I gots to go, never no time  
Everything's gone be straight though, I'm on the grind  
Love is blind, I can see it now  
It's 20/20 from the 'Burban to the Benz now  
A fifth of Remi, it ain't many that can maintain  
But boo I love you cause I know that you can stand the game  
Stand the game

[Chorus: Co-Ed]

Sunny days, everybody loves them  
Tell me baby can you stand the game

Storms will come, this we know for sure  
Tell me baby can you stand the game

[Verse 2: Pastor Troy]

Sometimes I wonder how did I become so lucky  
A million hoes, now I got a gurl that loves me  
It's kind of funny cause I never been the one for love  
All I was thinking bout was money or selling drugs, that's what it was  
Young rich nigga, hoes a dime a dozen  
The older that I grew, I knew a ho ain't nothing  
It's more than fucking that was high school shit  
I moved my gurl in, it's me her and the pits  
Six in the yard, I give thanks to God  
For making it easy though they say it would be hard  
And me and my gurl gone stack it up for a while  
And when I wake up, first thing I see is her smile  
And when she has my child I'll be the happiest on earth  
And I'm a be there every second of it's birth  
And it don't even matter, if it's a girl or it's a boy  
Cause the last name is gone be Troy  
Huh, the game

[Chorus: Co-Ed]

Sunny days, everybody loves them  
Tell me baby can you stand the game

Storms will come, this we know for sure  
Tell me baby can you stand the game

[Verse 3: Pastor Troy]

Sometimes I wonder do you miss me how I miss you  
Can't wait to git back to the crib so I can kiss you  
It crack me up because you could have been done gave it up  
But you stay with me cause no matter what you give a fuck  
Therefore we stuck-together like paste and glue, hey baby its me and you  
Forever we made a vow, so we gots to do it now  
I know you believe in me, just say what you wanna be  
And we will have everything, if you can just stand the game

[Chorus: Co-Ed]

Sunny days, everybody loves them  
Tell me baby can you stand the game

Storms will come, this we know for sure  
Tell me baby can you stand the game  
[Repeat]
