

# Pat Benatar, The Effect You Have On Me

TREAT ME RIGHT

Pat Benatar

Crimes of Passion

You want me to leave, you want me to stay  
You ask me to come back, you turn and walk away  
You wanna be lovers, and you wanna be friends  
I'm losing my patience, you're nearing the end  
One of these days you're gonna reach out and find  
The one that you count on has left you behind  
Don't want to be no martyr, with no one, no say  
Oh my, my baby, before it's too late

Treat me right

Treat me right

Open your eyes, maybe you'll see the light  
Do you think I'm a fool, well you better think twice  
I've had enough baby, it's time you realized  
That you can't have it both ways, it's no way to live  
You've done all the takin', it's your turn to give  
One of these days you're gonna reach out and find  
The one that you count on has left you behind  
Don't want to be no martyr, with no one, no say  
Oh my, my baby, before it's too late

Treat me right

Treat me right

Open your eye's, maybe you'll see the light

Ooh, ooh, treat me right

You want me to leave, you want me to stay  
You ask me to come back, you're turnin' love away  
You wanna be lovers, and you wanna be friends  
I'm losing my patience, you're nearing the end

Treat me right

Treat me right

Open your eyes, maybe you'll see the light

Ooh, ooh, treat me right

Treat me right - Treat me right

Treat me right - Treat me right

Treat me right - Treat me right

Treat me right - Treat me right

Treat me right

(Fading out)
