Just hang my picture

In the fools hall of fame (the fools hall of fame) (the fools hall of fame)

That's where I belong 'cause I was so wrong

For lettin' you go, for lettin' you go

The world will see me

In the fools hall of fame (the fools hall of fame) (the fools hall of fame)

They'll stop and they'll say "He turned her away

When she loved him so" (when she loved him so) (when she loved him so)

Why did I break the truest heart beneath the sun?

There may be biggest fools than me but just name me one, just name me one

Till you forgive me I just won't be the same

(won't be the same) (won't be the same)

Don't say it's the end, please don't make me spend a lifetime of shame

In the fools hall of fame
