

Pat McGee Band, Beautiful Ways

I'm not a savior
So do me a favor
Stop in and see me sometime
Don't need you to save me
I'm ready to break free
Just need somebody to say
"You know you're never too far away,
You know you're never too far away."

Help me cause I'm off the radar screen
Help me cause you know just where I've been
Help me cause I've lost my faith
Help me mend my broken ways
But I just can't help myself
Have you lost your beautiful ways?
You lost your beautiful ways

You started out lovely
Somehow you changed me
Thought it'd be easy to see
I came to you lonely
Somehow I won't be
Walking this line long with you
You know that you're never too far away
Oh you're never too far away

Help me cause I'm off the radar screen
Help me cause you know just where I've been
Help me cause I've lost my faith
Help me mend my broken ways
But I just can't help myself
Have you lost your beautiful ways?
You lost your beautiful ways

It occurred to me that you won't be hanging around
I guess it don't matter cause you always put me down
But I never thought I'd see you on the ground
And you're supposed to save me?

Help me cause I'm off the radar screen
Help me cause you know just where I've been
Help me cause I've lost my faith
I can't afford to live this way
But I just can't help myself
Have you lost your beautiful ways?
You lost your beautiful ways
