The King Step, The King Step, The King Step!  
Step 1, we all should know that there&#amp;#039;s one Jah and only one!  
Step 2, is give him praises for this whole creation!  
Step 3, is love your brother man cause you and him is one!  
Step 4, is not to make the same mistake as Soloman!  
Step 5, is to repent and beg forgiveness for your wrongs  
cause the wrath of Jah is clear to see in revelation!  
So make up mind if you want to go to Hell or Zion.  
Step 6, there&#amp;#039;s more the King Step carries on!  
It carries on and on, and on, and on, and on, and on!  
Step 6, is once you know the truth to pass the message on  
and do the King Step daily as you trod upon Jah land  
so when the right time comes for Babylon&#amp;#039;s destruction  
you&#amp;#039;ll be among the few to march towards mount Zion.
