

Patricia Kaas, It's A Man's World

this is a man world
this is a man world
but it wouldn be nothing, nothing
without woman or a girl
man made the cars
to take us over the road
man made the trains
to carry the heavy load
man made the electric light
to take us out of the dark
man made the boat for the wter
like Noah made the ark

Refrain

This is a man man man world
But it wouldn be nothing, nothing
Without a woman or a girl
Man thinks about the baby girls
And the baby boys
Man makes them happy
Cause man made them toys
After man made everything
Everything he can
You know that man makes money
To buy from other men

Refrain

He lost in the wilderness
He lost in bitterness

Refrain

Without a woman or a girl, noo, no, no
Without a woman or a girl □ This is a man world, This is a man world
This is a man world, This is a man world
This is a man world, no □
