

Patricia Kazadi & Wojtek Ezzat, YOU AND I

Here we are
On Earth together
It's you and I
God has made us
All alone
It's true
I really found someone like you

Where in my mind
We can conquer the world
In love you
And I
You and I
You and I

I am glad
At least in my life I found someone
They might not be here forever,
To see me through
But I found strength in you
In you

Coz in me mind
You will be always
Always

You and I
You and I
You and I
You and I

Coz in me mind
In my mind
We can conquer the world
In love
You and I
You and I
