

Patrick Nuo, Eject My Heart

come on over - let me stroke your hair
try to look into your eyes -
but theres no one there
a scene of destruction - no sign of doubt
all I want is - just some way out
cold things never catch fire
help me out of this you beautiful liar
I dont regret the day we met
but eject my heart
cold things never catch fire
help me out of of this beautiful liar
I forgive you for all you havent done
but eject my heart its my only one
You say you must be goin-
standin in the door
you didnt dare to need me-
you didnt talk anymore
I feel no affection in your last embrace
seems love itself has left this place
why should i cry
For love at anyonce
ooohh oh oh oh ooooh
yeah yeah yeah yeaaah
cold things never catch fire
help me out of of this beautiful liar
I forgive you for all you havent done
but eject my heart its my only one
