

# Patrick Nuo, Eject My Heart

come on over - let me stroke your hair  
try to look into your eyes -  
but theres no one there  
a scene of destruction - no sign of doubt  
all I want is - just some way out  
cold things never catch fire  
help me out of this you beautiful liar  
I dont regret the day we met  
but eject my heart  
cold things never catch fire  
help me out of of this beautiful liar  
I forgive you for all you havent done  
but eject my heart its my only one  
You say you must be goin-  
standin in the door  
you didnt dare to need me-  
you didnt talk anymore  
I feel no affection in your last embrace  
seems love itself has left this place  
why should i cry  
For love at anyonce  
ooohh oh oh oh ooooh  
yeah yeah yeah yeaah  
cold things never catch fire  
help me out of of this beautiful liar  
I forgive you for all you havent done  
but eject my heart its my only one
