

Patrick Nuo, I Believe

It's too late to say I'm sorry
For all the sadness in you eyes (oh oh)
Today you say is the end of our story
And there's no way to get you for another try ('nother try)

'cause forever you and me is the perfect way to be
but together forever is without a guarantee

I still believe in you girl
I believe without a doubt
Don't know what ya' talk about
Two visions inside your head things goin' crazy
I believe in you girl
I believe without a doubt
But nobody knows about what tomorrow brings
What tomorrow brings

(yeah)
I believe in you
I believe in you

You used to say that I'm the only
One who makes you laugh and cry
But now you're sayin' it's better to be lonely
'cause there could be a day when I would say goodbye

'cause forever you and me is the perfect way to be
but together forever is without a guarantee

I still believe in you girl
I believe without a doubt
Don't know what ya' talk about
Two visions inside your head things goin' crazy
I believe in you girl
I believe without a doubt
But nobody knows about what tomorrow brings

I still believe in you girl
I believe without a doubt
Don't know what ya' talk about
Two visions inside your head things goin' crazy
I believe in you girl
I believe without a doubt
But nobody knows about what tomorrow brings

What tomorrow brings

('cause forever you and me is the perfect way to be
but together forever is without a guarantee)
'cause forever you and me is the perfect way to be
but together forever is without a guarantee

I still believe in you girl
I believe without a doubt
Don't know what ya' talk about
Two visions inside your head things goin' crazy
I believe in you girl
I believe without a doubt
But nobody knows about what tomorrow brings

I still believe in you girl
I believe without a doubt
Don't know what ya' talk about
Two visions inside your head things goin' crazy

I believe in you girl
