

# Patrick Nuo, Someday

Someday we will know, we will know, we will know  
Someday we will know, we will know  
How could you know all the answers to my questions  
If I couldn't show you what I feel  
Day after day you've been waiting for confession  
But I was just hiding away in my dreams  
I can't make you stay in a frameless portrait  
But someday you'll remember what you never knew  
Someday you'll find out that blind love is through  
When I pray that we'll find a way to look back on today together  
Someday we will know  
Someday we will know, we will know, we will know  
Someday we will know, we will know, we will know  
How will I know that you'll be ok tomorrow  
When you're so far away from me  
Night after night I enjoy this endless sorrow  
Cause maybe it's not the end of our story  
I can't make you stay in a frameless portrait  
It's someday you'll remember what you never knew  
Someday you'll find out that blind love is through  
When I pray that we'll find a way to look back on today together  
Someday we will know  
Someday we will know, we will know, we will know  
Someday we will know, we will know, we will know  
Our love went straight but I want to start to pray  
We'll find a way someday  
And I know it didn't happen all in vain  
Someday your heart will tell you what you have to do  
Your heart will find out what you never knew  
Cause your heart can never forget  
So let's try to, let's try to, find out a way  
To look back on today together  
Someday we will know  
Someday we will know, we will know, we will know (Maybe we'll know)  
Someday we will know, we will know, we will know (Someday)  
Someday we will know, we will know, we will know (We will know that love is true)  
Someday we will know, we will know, we will know (Someday)  
Someday we will know, we will know
